

We are excited to hold this year's Spring Conference in our Division! This week two of our clubs received Corporate Awards presented by the District Trio and International Director. We have new clubs forming in both the Cooperstown area as well as Binghamton area. In the quest to become Distinguished, each area had at least two clubs meet the officer training goal for a DCP point. Two clubs have 5+ DCP goals and have met the membership requirement as of April 1, 2018. Sixteen out of sixteen clubs were paid through April 1, 2018. However, we do still have four clubs that are in need of a club coach. All four areas held successful contests with the Division Contest on April 7th in Binghamton.
