

July 26, 2018

Ellen O'Connor Pieklo, DTM  
2017-2018 District 65 Director

Dear Ellen,

On behalf of the Toastmasters International Board of Directors, I'd like to congratulate your district on an outstanding year and a job well done!

Toastmasters International continues to be the world's leading organization devoted to helping people become better speakers and leaders. Members learn, grow and achieve personal and professional goals through participation in Toastmasters. Our organization could not be successful without the contributions of clubs, areas, divisions and districts.

Thank you for everything your district has done to exemplify the Toastmasters mission in your local communities. We are truly grateful for your hard work and dedication to excellence.

As a gesture of appreciation for your many contributions this year, we will be more than happy to share your achievement with your employer or other organization. Please let the Chief Executive Officer know to whom the letter should be directed, and it will be mailed following the 2018 Toastmasters International Convention.

Please convey our heartfelt thanks to your district team.

Sincerely,

Balraj Arunasalam, DTM  
International President 2017-2018

Daniel Rex  
Chief Executive Officer
